

International Society of Cannabis Pharmacists

You're Invited to Exhibit at Clinical Cannabinoid Pharmacy 2021!

The International Society of Cannabis Pharmacists (ISCPH) is hosting the Clinical Cannabinoid Pharmacy Conference in Denver, Colorado at the Gaylord Rockies on August 12-14, 2021.

ISCPH is a 501c6 professional association dedicated to unifying the pharmacy profession on the subject of Cannabis in support of public health. ISCPH is committed to Defining Cannabis Care through the delivery of evidence-based education and standardization of clinical care. Healthcare professionals and Industry Leaders are invited to learn from our carefully curated panelists and immersive networking experience. With over 10 hours of accredited continuing education credits, CCPC 2021 focuses on expanding beyond the dispensary and normalizing Cannabinoid therapies.

We invite reputable and quality organizations interested in marketing their product or service to pharmacists and healthcare professionals from around the world. All scheduled breaks and meals are in the next-door exhibitor hall with over 4 hours of dedicated networking time. The overview of our available packages is listed below. Registered Non-Profits (501c's) save 50% off all sponsor and exhibitor packages and active ISCPH members save 25%.

Thank you for supporting healthcare professional involvement with Cannabis!

Sincerely,
The International Society of Cannabis Pharmacists (ISCPH)
